The following prices include electricity, heating, hot water and bed sheets. The "Weitblick" house also has a large terrace with a magnificent view, a sauna and a private garden. The single and double rooms offer the ideal privacy that you would like to have in a group house. The private flat is not rented out, but is not lived in during group stays. The group therefore has the whole house to itself. You have to bring your own shower towels. Firewood can be ordered on request. The house "Weitblick" is ideal for 14 people, but it is also possible to accommodate more (gallery, sofa bed, etc.). The minimum booking period is 2 nights.
